

BEDDING SOLUTIONS FOR THE EDUCATIONAL BUYER

"It's a Good Nite with Made Rite"

- **OUR COMPLETE SELECTION OF QUALITY BEDDING PROGRAMS FOR THE EDUCATIONAL INDUSTRY INCLUDES:**
 - **Silver Spring Collection**
 - *Offers State-of-the-Art traditional mattress constructions to provide maximum protection, safety and comfort and to minimize risk of infection in today's close quarter housing environments.*
 - *Our dorm mattress programs include fabrics that exhibit superior resistance to surface growth of micro-organisms and are fluid-proof, disinfectable, anti-microbial and anti-fungal;*
 - *SoFlux OX® and SoFlux OX-V® are breathable, urethane coated fabrics that are ideal for University housing combining durability, cleanability and student comfort;*
 - **FE Inverted Seam Innerspring Collection**
 - *Reduces the potential of bed bug infestation by removing the location on the mattress (tape edge) where the bed bugs love to live and multiply.*
 - *Elimination of surface seams helps prevent fluid penetration and interior contamination.*
 - *Slick, attractive design appeals to purchasing agents, housing directors, administrators, maintenance and students alike.*
 - **Stellar Performance Core Collection**
 - *Revolutionary, patented sleep support system holds mattress shape & eliminates "sagging"*
 - *Environmentally friendly, 100% recyclable "Green" product (entire sleep system can be recycled at the end of its life cycle)*
 - **Special services: Sustainability/Mattress Recycling –**
 - *Our Mattress Recycling program provides an attractive value added, ecologically-centered service;*
 - *Back end service is designed to provide additional rebate incentives to the University for recycling its used mattresses.*
 - **Other products are available, including:**
 - *Box springs; Bed Frames; Headboards; Protective mattress covers (cloth or vinyl); Pillows, etc.*
 - *Single stack dorm beds; double stack bunk beds; cots; folding beds; rollaways*
- **ALL MADE RITE BEDDING DORM MATTRESSES ARE FLAME RETARDANT AND MEET THE FLAMMABILITY REQUIREMENTS UNDER CPSC 16 CFR PART 1633, CAL TB 129 AND NFPA 101 LIFE SAFETY CODE**
