SILVER SPRING “NYLON” DORM COLLECTION

All Silver Spring Dorm Mattresses offer strong support and durability for institutional needs. They are engineered to meet the most demanding uses. They have been time-tested with more than four decades of residence housing usage.

Ideal for use where extended stays in residence/barrack housing facilities is the norm, the Silver Spring Nylon Dorm Collection features:

- Surfaces that can be cleaned and disinfected in seconds
- Fabrics that are fluid-proof, stain & tear resistant, antimicrobial
- “Breathable” **nylon cover** for superior sleep comfort
- **Upholstery** layers of revolutionary new, patented high-tech premium fiber, created through a proprietary blending process for superior quality
- **100% Recyclable** “GREEN” component materials
- Reversible, 2-sided construction for extended mattress life
- Environmentally friendly with no hazardous foam or flame resistant chemicals
- Flame retardant system fully complies with CPSC 16 CFR Part 1633, CAL TB 129 and NFPA 101 Life Safety Code
