The **S-T-E-L-L-A-R** Sleep System is the most innovative technology in institutional mattress design to come along in decades. Made Rite's superior quality is the result of exclusive patented components used in the crafting of our mattresses. The *Stellar Performance Fiber Core Collection* includes high-performance fiber core inserts of various blends & densities encased in your choice of stain-resistant, fluidproof, bacteria resistant, & non-allergenic covers.

The collection presents a multitude of solutions to purchasing agents, DON's, administrative personnel, housekeeping staff and patients alike:

- ❖ *Revolutionary, patented support system holds mattress shape & eliminates "sagging"*
- ❖ *Very competitively priced to alleviate budgetary constraints.*
- ❖ *"Breathable", hypoallergenic design for superior comfort & safety*
- ❖ *Anti-microbial protection prevents growth of fungus and mildew.*
- ❖ *Environmentally friendly, 100% recyclable "GREEN" product*
- ❖ *Reversible, two-sided construction for extended mattress life.*
- ❖ *Eliminates the need for steel innersprings; reduces landfill waste.*
- ❖ *Contains no hazardous foam or flame resistant chemicals*
- ❖ *Reduces mattress weight by 25% or more for ease of handling*
- ❖ *Entire sleep system can be recycled at the end of it's life cycle*
- ❖ *Complies with CPSC 16 CFR Part 1633, CAL TB 129 and NFPA 101 Life Safety Code*
