Stellar PFS Core Luna Mattresses

Made Rite Bedding's ***Stellar PFS Core Luna mattresses*** are comprised of high-density premium fiber designed to withstand the challenging environment of healthcare psychiatric wards. The mattresses feature high quality 100% recyclable, virgin fiber and are totally latex free. Covers are heavy duty vinyl ticking and feature fluid-proof, anti-microbial, stain resistant performance properties that provide outstanding durability.

Features and Benefits of selected ***Stellar PFS Core Luna Mattresses:***

STELLAR PFS CORE LUNA I (Model# PFS14XL6)

- ❖ **Inner Core** consists of revolutionary new, patented high-tech premium fiber, created through a proprietary blending process for superior quality, with a minimum 1.4 density pcf
- ❖ **Heavy-duty laminate vinyl** cover is a premium, extended life healthcare mattress ticking, constructed with celanese fortrel for high strength performance that inhibits the incidence of premature cracking.
- ❖ **Two-sided construction** allows flipping of mattress for use on both sides and extends mattress life.
- ❖ **Tamper-resistant/Safety-proof** – No metal, no handles, no sharp objects
- ❖ **Warranty** - 3-Year limited warranty, non-prorated for year 1.
- ❖ **Weight capacity** – 175 Lbs

STELLAR PFS CORE LUNA II (Model# PFS16XL6)

- ❖ **Inner Core** consists of revolutionary new, patented high-tech premium fiber, created through a proprietary blending process for superior quality, with a minimum 1.6 density pcf
 - ❖ **Heavy-duty laminate vinyl** cover is a premium, extended life healthcare mattress ticking, constructed with celanese fortrel for high strength performance that inhibits the incidence of premature cracking.
 - ❖ **Two-sided construction** allows flipping of mattress for use on both sides and extends mattress life.
 - ❖ **Tamper-resistant/Safety-proof** – No metal, no handles, no sharp objects
 - ❖ **Warranty** - 5-Year limited warranty, non-prorated for years 1 & 2.
 - ❖ **Weight capacity** – 300 Lbs
- ❖ **Flammability** – The Stellar PFS Core Collection is manufactured with a Fire Barrier system to conform to Federal Open Flame Standard CPSC 16 CFR PART 1633 (effective July 1, 2007), California Technical Bulletin #129 and the NFPA 101 Life Safety Code.
